**Stipulation Concerning Compliance**

The August 2, 2005, Report by the Arizona Corporation Commission Utilities Division Staff ("Staff") in this docket recommended that the Commission approve the application of Arizona-American Water Company ("Arizona-American") subject to, among other things, certain compliance delinquencies being resolved prior to hearing. Arizona-American has provided to Staff evidence of compliance with all outstanding compliance matters. Staff states that a check of the Compliance database indicates that there are currently no delinquencies for Arizona-American.

Staff and Arizona-American agree that this matter is ready for hearing.
